

## USAGE CALENDAR

This Usage Calendar is your key to open the benefits of The Club at Presidente Membership. It helps you determine how many points are needed for that special place you want to go and provides information about travel seasons and destinations.

Each night at the affiliated resort has a specific Point value. The number of points needed for a reservation is determined by the destination, season, accommodations and number of nights you want a book.

It is also easy to use this calendar. As you will see, it shows a different daily value for each participating hotel. The variety of colors represent the spectrum of travel seasons or levels of demand: **Special** (red), **High** (orange), **Medium High** (yellow), **Medium Low** (green), **Low** (blue).

As a Member of **The Club at Presidente**, you reserve by using your Points and paying a Daily Fee for each stay. You can book as many nights as you want in the hotel and destination of your choice, and up to the number of rooms allowed per stay.

The hotels and resorts in Mexico currently participating in **The Club at Presidente** system include Presidente InterContinental® Cancún, Cozumel, Guadalajara, Mexico City Polanco, Mexico City Santa Fe, Mérida and Puebla. The Holiday Inn Resorts® All Inclusive in Los Cabos and Ixtapa. The Holiday Inn® Puebla La Noria and Holiday Inn Express® & Suites Celaya and Puebla; The Hyatt House® Mexico City Santa Fe as well as the Staybridge® hotels in Irapuato and Silao. New properties recently opened: Holiday Inn & Suites® Aguascalientes Staybridge® Saltillo and Aloft® in Queretaro City.

When you select your destination and travel dates, please call our Reservation Center and Member Services Area. Then get ready to live and enjoy **The Club Presidente** experience.
